We are accepting applications until August 12th, 2022 or until vendor spaces are full.

### 2. Will alcohol be permitted/ served at the festival?

While Art in the Parking Lot is not a licensed event, we are located at The Powerhouse Restaurant, a licensed establishment, which will be serving alcohol within the restaurant and on the patio. Festivalgoers can enjoy lunch and a drink on the patio, while still enjoying the live music and sights of the festival. No alcohol is permitted in the parking lot area.

### 3. Will there be washrooms/ outhouses on site?

We will not have outhouses, but there are on-site washrooms located inside of the restaurant.

### 4. Are tables and chairs provided to vendors?

Tables & chairs are not provided and must be supplied by the vendor. It is strongly recommended that all vendors bring tents as well.

### 5. Will vendors be provided with a Festival Map?

Yes! All Vendor spaces will be assigned, as this is a curated show. A Festival Map will be sent out approximately 1 week prior to the festival.
